ULTIMATE DRIVING TOURS

May 2024

EXPERIENCE THE WORLD'S BEST
Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

FREQUENTLY ASKED QUESTIONS

Follows is a selection of common queries.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on page 14–17, your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.

LAMBORGHINI HURACAN SPYDER

The Huracan Spyder combines speed, a sharp design, and the pure roar of power and fun. The convertable offers an ingenious 4WD system, sophisticated technical specs and performance to boot.

MCLAREN 720S

Be warned: while there are many fast cars out there, few have the performance capabilities that require drivers to up their game so profoundly. Are you ready for this beast?

MERCEDES AMG GTR

With a dauntingly low driving position, way back over the rear axle, the devastatingly handsome GTR draws heavily on the lauded SLS. An agile yet comfortable grand tourer.

PORSCHE GT3 992

A phenomenal car from Porche's iconic collection, the 992 GT3 epitomises the very best of what Porsche has to offer. Powered by the same four-litre flat-six engine the Motorsport department fits to its GT3 Cup race car, it's sure to thrill.

F1 DRIVE EXPERIENCE

Friday 24 May

For those seeking the ultimate adrenaline rush, a totally incomparable driving experience is on offer: you have the opportunity to drive real ex-Formula 1 race-cars at a private circuit in the south of France.

Drive genuine 2002 Post-era ex-Formula 1 cars with real F1 Championship chassis. Powered by a 650HP V8 Cosworth engine, and weighing less than 520kg, these incredible machines have a power-to-weight ratio twice that of a Bugatti Veyron!

Whether you have a background in racing, or are completely new to the track, the day is designed and tailored to your experience level, and will give you unique insight into the incredible accomplishment of driving an F1 car.

Before a weekend watching the iconic Monaco Grand Prix, could there be any better preparation than getting behind the wheel of an F1 car and experiencing the same rush that the drivers do in a race?

The experience is a full day program, which includes:

- Sixteen (16) laps in an F4 Car
- Six (6) laps in an F1 Car
- Professional instruction and guidance throughout the day
- Equipment (race helmet, racing overalls, race boots and gloves)
- Guided tour of the facility and circuit, including two sighting laps
- Photography and videography of your experience
- An awards ceremony with Champagne and certificates
- Catering
- Transfers to/from Nice

Due to the program being a full-day experience, we recommend booking an additional night's accommodation in Nice on Thursday 23rd May.

FREQUENTLY ASKED QUESTIONS

Follows is a selection of common queries.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on page 14–17, your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
