EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, Ultimate Driving Tours became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

F1 MONACO GRAND PRIX EXPERIENCE

Thursday 23 - Monday 27 May 2024

Your journey of a lifetime concludes with the jewel in the crown of Formula 1, the Monaco Grand Prix.

Moreover, you'll experience the energy and excitement of this iconic race in the most luxurious way imaginable — sipping Champagne or specialty cocktails aboard our privately chartered superyacht.

Outside of the race, you will have the opportunity to explore Monaco, a city that is brimming with intrigue and exuberance, and represents all that is quintessential to F1: glitz, glamour, and world-class entertainment.

To further enhance your Grand Prix experience, we recommend opting

into an additional evening aboard the superyacht on Thursday to enjoy dinner with a Formula 1 driver — a rare opportunity to spend time with an expert who has experienced the adrenalin and excitement of racing at Monaco. What better way to begin a bucket-list weekend! See [page 13](#) for further details.

On Friday, the excitement continues with our legendary cocktail party. This event provides you with an opportunity to get accustomed to your privileged locale for the weekend of the Grand Prix, while enjoying another of Monaco's famous attractions - its nightlife.

Whether you prefer to dance the night away to the mixes of our international

DJ, or get to know new friends while sipping a cocktail in the glow of the city, the party evening is the perfect segue from the calm into the storm of the F1 weekend.

Saturday and Sunday are an action-packed extravaganza. From Practice to Qualifying, and of course, the race itself, you will be treated to an adrenaline-filled weekend of motorsport at its very best.

In between the action on the circuit, the entertainment keeps coming in the form of special guest appearances, Q&As with TV and racing personalities, and live music — in addition to the exhilarating atmosphere of Monaco during the Grand Prix.

Complemented by a premium cocktail bar, free-flowing Champagne, and gourmet catering, this incredible weekend is one of the most exciting and spectacular events in the world. More than just a motorsport lover's dream, it's a celebration of life at its best, to be shared with like-minded friends. It is the ultimate party, creating memories to share and reminisce on for many years to come.

Over the course of the weekend, you also have the opportunity to enhance your F1 experience with a number of special options. These include the possibility to stay aboard the superyacht, to helicopter to Monaco each morning, or to attend Amber Lounge's glamorous fashion show, among others. See [page 13](#) for further details.

Accommodation and Dining

Guests have several accommodation options for the Monaco Grand Prix. Many opt to stay at the 5-star Palais de la Mediterranee, one of Nice's most iconic hotels. Built in 1929, the hotel offers a convenient base from which to access Nice and Monaco, and delivers stunning waterfront views of the Mediterranean. Alternatively, you can choose to stay in the exclusive berths aboard our superyacht. Accommodation on the yacht is limited and in high demand; please contact our team for more details.

During your time on board our superyacht for the F1, you will enjoy all-day gourmet catering, as well as a full premium bar and abundant Champagne. The dining package includes morning tea, a luncheon, afternoon canapes, a substantial supper, and late night snacks.

Drive genuine 2002 Prost-era ex-Formula 1 cars with real F1 Championship chassis. Powered by a 650HP V8 Cosworth engine, and weighing less than 520kg, these incredible machines have a power-to-weight ratio twice that of a Bugatti Veyron!

THE FLEET

Our stunning fleet

Our fleet includes a selection of latest release supercars, designed to complement the location and tour type. The final selection may vary depending on participant numbers and vehicle availability.

**ASTON MARTIN
DB11**

Labelled as the most important Aston in the marque's history, the DB11 is a supremely sophisticated blend of hypermodern, road-crushing technologies and old-school Gran Tourer charm.

**AUDI R8 V10
COUPE / SPIDER**

If you're hungry for a gorgeous, driver-friendly and lightning-fast supercar, the update to the incredible R8 delivers—and then some. Audi's supremely competent supercar impresses on all fronts.

**BENTLEY
CONTINENTAL GT**

Solely responsible for the revival of the modern Bentley brand, the Continental GT is the perfect grand tourer, sporting a unique twin-turbo W12 and a truly luxurious interior.

**FERRARI 488
GTB / SPIDER**

The successor to the adored 458 sees the eager-revving and naturally aspirated V8 retired, in favour of a turbocharged powerplant. This Ferrari will propel you from 0 – 100 in just three seconds.

**FERRARI
812 SUPERFAST**

Enzo Ferrari said that only a true Ferrari has 12 cylinders and an engine up front. Welcome to the 812 – 800HP, a 0-100 sprint in 2.9s and a top speed of 340kph. Superfast indeed.

**LAMBORGHINI
AVENTADOR S**

With a top speed listed simply as 'more than 350km/h', the Lamborghini Aventador LP700 - 4 is brutally powerful, obscenely flamboyant, and without a doubt, a fan favourite!

**LAMBORGHINI HURACAN
PERFORMANTE**

The Huracan is a fantastic combination of fast, loud, and sharp. With an ingenious 4WD system, the Performante offers impressive technical specs and performance to boot.

**MCLAREN
720S**

While there are many fast cars out there, few have the performance capabilities that require drivers to up their game so profoundly. The 720S will leave almost anything else in the dust... are you ready?

**MERCEDES
AMG GT**

With a dauntingly low driving position, way back over the rear axle, the handsome GT draws heavily on the lauded SLS. An agile yet comfortable grand tourer with a beautiful V8 soundtrack to match.

**PORSCHE
911 GT3**

For decades, the 911 has been the stuff of legend—a title it continues to claim today. Capable in all situations, this precision instrument remains a timeless inclusion on our tours.

FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. If you are travelling as a solo driver, you will be paired with another solo driver in the vehicle. As outlined on [page 18-21](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
