EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. It started as an idea, then became a small project between like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. And it soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – Nurburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help

of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, whatever may be on it. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all the 'must do' experiences associated with motoring.

But an Ultimate Driving Tour is also

about much more than cars, more than driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. That might include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht, and so much more.

We hope that you too will become one of our family of guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and to having you along.

To a life of adventure,

FERRARI 812 SUPERFAST

Enzo Ferrari said that only a true Ferrari has 12 cylinders and an engine up front. Welcome to the 812 – 800HP, a 0-100 sprint in 2.9s and a top speed of 340kph. Superfast indeed.

LAMBORGHINI AVENTADOR S

MERCEDES AMG GT

With a dauntingly low driving position, way back over the rear axle, the handsome GT draws heavily on the lauded SLS. An agile yet comfortable grand tourer with a beautiful V8 soundtrack to match.

PORSCHE 911 GT3

For decades, the 911 has been the stuff of legend—a title it continues to claim today. Capable in all situations, this precision instrument remains a timeless inclusion on our tours.

F1 MONACO GRAND PRIX

Tour I + II: Friday 27 – Sunday 29 May

Your Provence Supercar Tour also takes you to the jewel in the crown of Formula 1: the Grand Prix of Monaco; either before your driving tour commences, or after it concludes, depending on your tour selection. Moreover, you'll experience the energy and excitement of this iconic race in the most luxurious way imaginable—sipping champagne or specialty cocktails aboard our privately chartered superyacht. Outside of the race, you'll get to explore Monaco, a city that is brimming with intrigue and exuberance, and represents all that is quintessential to F1: glitz, glamour, and world-class entertainment.

To further extend your Grand Prix experience, we recommend opting-

in to an additional afternoon aboard the superyacht on Thursday to enjoy the second F1 Free Practice Session. Guests who join us for this exclusive additional afternoon on the yacht will also be joined by none other than two-time Monaco Grand Prix winner, Aussie motorsport legend, and all-around great guy, Mark Webber. See [page 12](#) for further details.

On Friday, the excitement continues with our legendary cocktail party. This event provides you with an opportunity to get accustomed to your privileged viewing locale for the weekend of the Grand Prix, while enjoying Monaco's other famous attraction—its nightlife. Whether you would prefer to dance the night away to the mixes of our

international DJ, or get to know new friends while sipping a cocktail in the glow of the city, the party evening is the perfect segue from the calm into the storm of the F1 weekend.

Saturday and Sunday are an action-packed extravaganza. From Practice to Qualifying, and of course, the race itself, you will be treated to an adrenaline-filled weekend of motorsport at its very best. In between the action on the track, the entertainment keeps coming in the form of special guest appearances, Q&As with TV and racing personalities, and live music—in addition to the exhilarating atmosphere of Monaco during the Grand Prix.

Complemented by a premium cocktail

bar, free-flowing champagne, and gourmet catering, this incredible bucket-list weekend is one of the most exciting and spectacular events in the world. More than just a motorsport lover's dream, it's a celebration of life at its best, to be shared with like-minded friends. It is the ultimate party, one that you'll be sharing stories from for many years to come.

Over the course of the weekend, you also have the opportunity to enhance your F1 experience with a number of special options. These include the opportunity to stay aboard the superyacht, to helicopter from to Monaco each morning, or to attend Amber Lounge's glamorous fashion show, among others. See [page 12](#) for further details.

Accommodation and Dining

Guests have a number of accommodation options for the Grand Prix weekend. Many opt to stay at the 5-star Palais de la Méditerranée on Nice's Promenade des Anglais, or the nearby 4-star Mercure. These oceanfront hotels offers a convenient base from which to explore Nice and Monaco, and deliver stunning views of the Mediterranean. Alternatively, you can choose to stay amongst the action at a hotel in Monaco, or in the exclusive berths aboard our superyacht. Accommodation aboard the yacht is limited and in high demand; please contact our team for availability.

During your time aboard our superyacht for the Grand Prix, you will enjoy all-day gourmet catering, as well as a full premium bar and abundant champagne. The dining package includes morning tea, a luncheon, afternoon canapes, a substantial supper, and late night snacks.

F1 DRIVE EXPERIENCE

Tour I: Monday 30 May + Tour II: Friday 27 May

For those seeking the ultimate adrenaline rush, a totally incomparable driving experience is on offer: before or after the Grand Prix begins you have the opportunity to drive real ex-Formula 1 race-cars at a private circuit in the south of France.

The experience is amazing—these 2002 Prost-era cars are genuine ex-Formula 1 cars and have a real F1 Championship chassis. Powered by a 650HP V8 Cosworth engine, and weighing less than 520kg, these incredible machines have a power to weight ratio twice that of a Bugatti Veyron!

Whether you have a background in racing, or are completely new to the track, the day is designed and tailored

to your experience level, and will give you unique insight into the incredible accomplishment that it is to drive an F1 car. Before a weekend watching the Grand Prix of Monaco, could there be anything better than getting behind the wheel of an F1 car and experiencing the same rush that the drivers do in a race? The experience is a full day program, which includes:

The experience is a full day program, which includes:

- Sixteen (16) laps in an F4 Car
- Six (6) laps in an F1 Car

gloves)

- Guided tour of the facility and circuit, including two sighting laps
- Photography and videography of your experience
- An awards ceremony with champagne and certificates

FREQUENTLY ASKED QUESTIONS

Follows is a selection of common queries.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 15-19](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.

COVID-19 MANAGEMENT

UDT takes your health and safety seriously. In light of the current pandemic, we have implemented a number of health and safety practices for both guests and staff. These include:

- Thorough cleaning and sanitising of vehicles each evening as well as during driver changes
- The provision of a sanitising pack in each car including gloves, a face mask, hand sanitiser and wipes
- Sanitising stations for use on arrival and departure at all venues and stops
- Adherence to social distancing throughout the event
- Daily temperature checks

We also require venues and suppliers to follow health and safety procedures, and request guests similarly act responsibly in terms of informing us if you feel unwell in the lead up to or during an event, or have had close contact with a confirmed or suspected case.

Lastly, on our events we avoid big cities and crowded places where possible. If feasible, we also book exclusive use of hotels, restaurants and experiences, or request separate, private spaces for our guests.
