# EXPERIENCE THE WORLD'S BEST

## *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

Anthony Moss

# EXPERIENCE THE ICONIC ITALIAN GRAND PRIX

Friday 30 – Monday 2 September

For those wishing to experience one of the most legendary races in the F1 calendar, you can choose to join us for the Italian Grand Prix weekend. Commencing in Milan on Friday 30th September, the weekend is the perfect way to begin an unforgettable experience of Italia.

After check-in and time to relax, we recommend spending the afternoon exploring the city of Milan, famed for its fashion, food, architecture and nightlife. In particular, we suggest taking a stroll along the streets of the Quadrilatero d'Oro, the world's most famous shopping district.

Later that evening the group will meet for a welcome aperitivo at the hotel.

Here you will have the opportunity to meet the rest of the group who will be sharing the experience with you. Following the aperitivo the group will transfer into the city centre to enjoy panoramic views of the Duomo as you dine at a Milanese institution serving locally sourced traditional Italian cuisine.

On Saturday and Sunday you will enjoy the spectacle that is the F1 Italian Grand Prix. The race joins the British GP as one of the only Grand Prix races to be staged continuously since the F1 World Championship was introduced in 1950, with 1980 being the only year it was not held at the Autodromo Nazionale Monza (it was held in Imola that year). The iconic Italian GP is a

must-win for drivers, not only because of the challenging circuit, and history and prestige of the race, but also for the passion exuded by fans.

For your GP experience, you can choose between two luxurious hospitality options – Champions Club, or Paddock Club. Both options feature exceptional race views, gourmet catering, and a premium bar, with those opting for the Paddock Club enjoying the additional exclusive extras offered for top tier hospitality, including interviews and entertainment, pitlane walks and more. Whichever is your preference, the weekend will be sure to be a big tick off the bucket-list for any motorsport enthusiast!

## Accommodation and Dining

Nestled in Milan's heart, your luxury accommodation, ME Milan Il Duca, is a spectacular five star luxury hotel.

ME Milan Il Duca is a chic and luxurious property designed by the renowned architect, Aldo Rossi. Located just a short walk from the city's fashion district and the wider city centre, the property also offers a rooftop terrace and spectacular panoramic views of the new skyline of Milan - the perfect destination from which to explore Milan outside of your time enjoying the Italian Grand Prix.

On Friday you will enjoy dinner at a chic restaurant serving traditional Italian

cuisine, with a contemporary touch. Delight in panoramic views of the Duomo and Galleria, as you experience a harmonious blend of innovation and tradition, infused in every aspect of this Milanese culinary institution. It's not just about dining; it's about embracing the Milanese lifestyle of savouring life at the table.

Saturday is a free night to relax and continue to enjoy Milan at your leisure.

Sunday evening awaits you with an exclusive farewell evening set on a privately reserved terrace. It's the pinnacle of an unforgettable bucket-list weekend, an occasion to raise your glass to cherished memories before you embark on your next journey.

Enzo Ferrari said that only a true Ferrari has 12 cylinders and an engine up front. Welcome to the 812 – 800HP, a 0-100 sprint in 2.9s and a top speed of 340kph. Superfast indeed.

With a dauntingly low driving position, way back over the rear axle, the devastatingly handsome GTR draws heavily on the lauded SLS. An agile yet comfortable grand tourer.

# COMMON QUESTIONS

Follows is a selection of frequently asked questions.  
For any further queries, please contact our team.

### Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

### How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

### What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

### What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

### How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. If you are travelling as a solo driver, you will be paired with another solo driver in the vehicle. As outlined on [page 15-17](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

### Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
