EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, UDT became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

A SUPERCAR TOUR OF THE SPECTACULAR SWISS ALPS

Sunday 7 - Friday 12 July

Arrive in Zurich on Sunday to begin your Swiss touring adventure. You'll spend the next four days behind the wheel and in front of the mid-engine, in many cases, of our fleet of latest-release supercars. Your carefully prepared route lets you experience Switzerland's most breathtaking and challenging alpine roads, including the famed trio of the Susten, Grimsel, and Furka passes.

The drive starts with a warm-up cruise around Lake Zurich. Next, the convoy will climb the Alps to conquer your first mountain pass, Susten. This famed road is known for its fast downhill portions, bridge and tunnel combinations, banked turns, and steep hills. It delivers the best of your car's engine notes

as you cycle through the gears. After lunch, you will take on the famous mountain passes of Grimsel and Furka.

Grimsel Pass is perhaps the most scenic of the passes on today's drive. With jaw-dropping panoramas emerging around each corner, this is a less technical and more free-flowing pass than Susten, allowing you to take in the views. Rounding out the day is the more technical Nufenen Pass, a soaring alpine road and a suitably rewarding way to conclude an epic day.

Immortalised in the classic Goldfinger chase scene in which James Bond's Aston Martin DB5 pursues a '65 Ford Mustang up the pass, Furka alternates between tight hairpins and

long sweepers. This incredible road with a fantastic smooth tarmac instils confidence behind the wheel.

Your second day of driving follows a sweeping loop around Andermatt, the centre of the Swiss Alps, to experience the San Gotthard, Lukmanier, and Oberalp passes. With a history dating back to the 13th century, Gotthard's modern route, built in 1830, was and continues to be a favourite among European driving enthusiasts and remains of historical importance. Gotthard brings out the best of a sports car with its many scything twists and turns.

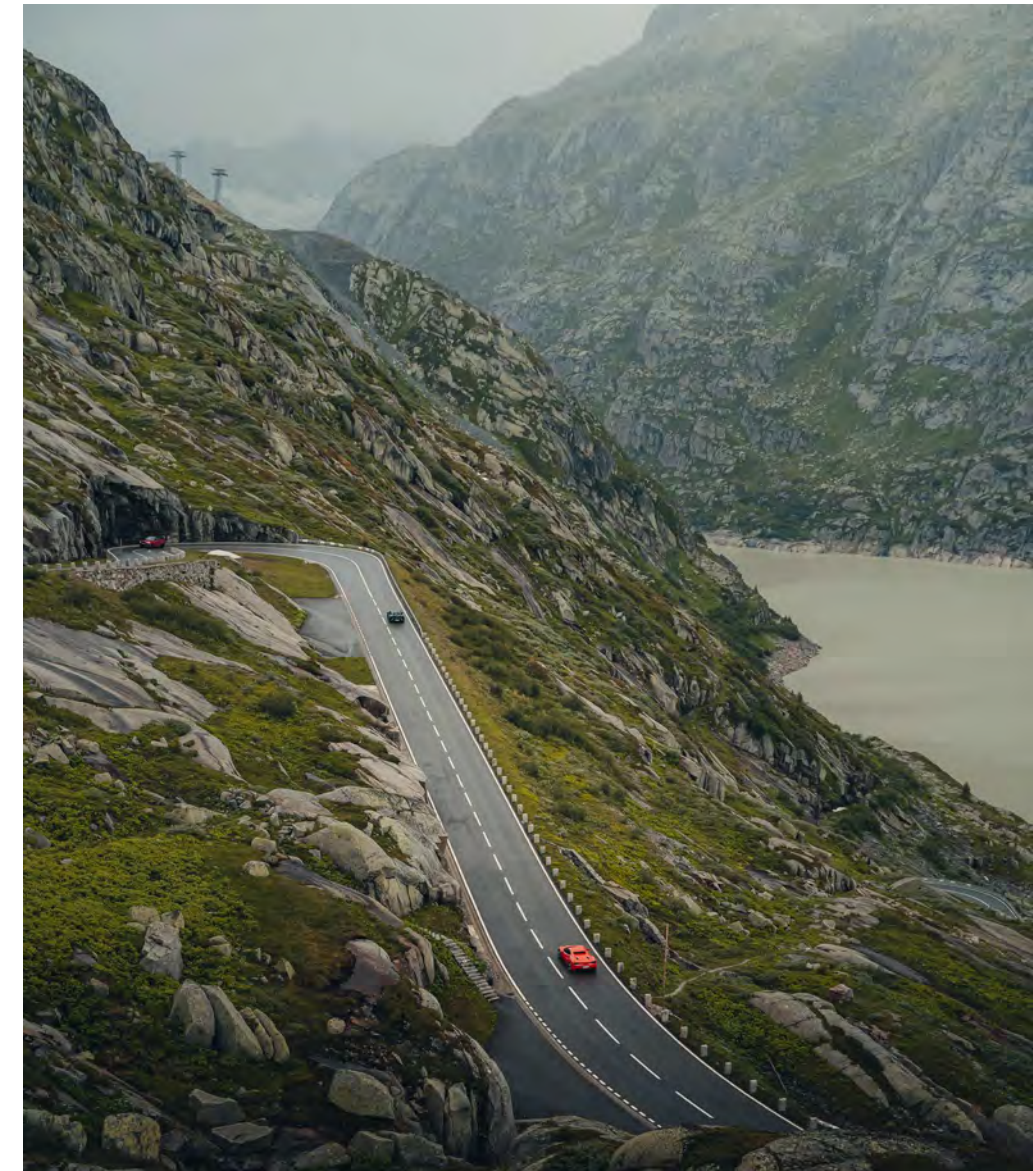

Another road of significant historical importance, Lukmanier Pass, is known

for its gently winding roads and breathtaking scenery. Dating back to when the Roman Empire used it as a trade route to allow the movement of supplies and troops between the provinces of Germany and Italy, it now offers tourists an enchanting mountain pass to savour the beauty of the Alps with ease.

Oberalp has a steep climb and a mixture of straights and hairpin turns. This pass is generally light on traffic and makes for an incredible drive with plenty of freedom.

Your third driving day is action-packed as you depart Andermatt via a series of picturesque passes, peaking at Nufenen, Switzerland's highest mountain pass with a paved road. You also have the privilege to re-explore San Gotthard and the iconic Grimsel passes as they deliver you into the gorgeous village of Interlaken. Situated at a stunning hotel, you can relax, explore or take a scenic helicopter flight over the Swiss Alps.

Your fourth day piloting a supercar doesn't disappoint as you meander through the rolling valleys of the Entlebuch Biosphere before a scenic lakeside highway and side roads deliver you back to Lake Lucerne.

Accommodation and Dining

Your accommodation includes a selection of the most luxurious hotels in Europe, if not the world. Your first evening will be at the ornate Dolder Grand, perched high above Zurich with views of the city and lake below. Nights two and three will be at an ultra-luxe ski chalet in the middle of the Swiss Alps, The Chedi. The historic Grand Hotel Victoria Jungfrau awaits you on night four. Your final evening will be on the shores of Lake Lucerne at the magnificent Park Hotel Vitznau.

Your dining experiences will include the award-winning Saltz, the relaxed Swiss-Asian fusion of The Restaurant, the Michelin-starred The Japanese Restaurant, and the Gault and Millau-awarded, The Grill.

OPTIONAL ADD-ONS

OPTIONAL VIP WEEKEND AT GOODWOOD

Friday 12 – Monday 15 July

A bucket-list weekend awaits at the hallowed grounds of Goodwood, where each year motoring enthusiasts descend on the estate's 12,000 acres to celebrate their love of motoring.

Following your arrival into London, you can spend the afternoon settling into your plush English country manor accommodation. Enjoy some leisure time after arrival and check-in, before meeting the group for the first dinner of the event.

Saturday is an action-packed day at the Festival of Speed. Today's schedule includes incredible stunts, a diverse range of drivers and vehicles testing their mettle on the hillclimb, and some of motorsport's most famous faces.

It's also the day of the Library Lawn Garden Party, known for its upbeat and cordial atmosphere, and fantastic central location in the heart of the Duke and Duchess' private garden. The ideal spot from which to explore the Festival's many wonderful displays. Enjoy some of Britain's best hospitality and revel in one of the world's greatest car shows, and tomorrow you will do it all again—with an upscale twist.

On Sunday, it's time to settle into the most luxurious hospitality at the Festival—Clark Pavilion—as the hill climb action reaches its crescendo. The Pavilion offers incredible views of Molecomb Corner, one of the most dramatic sections of the hillclimb and a highlight of the Sunday Shootout.

The day is enhanced with gourmet catering and a premium bar including champagne.

For one or both days of your weekend at the Festival of Speed, you can choose to make an entrance—and skip the traffic—by opting for return helicopter transfers. Guests choosing this option will enjoy direct return charter flights between the hotel and Goodwood's grounds.

In the evenings, you will spend time making the most of your magnificent country residence, which includes a little downtime before dinner. Then on Monday you can enjoy a well-earned lie-in and relaxed breakfast before departing for onward travel plans.

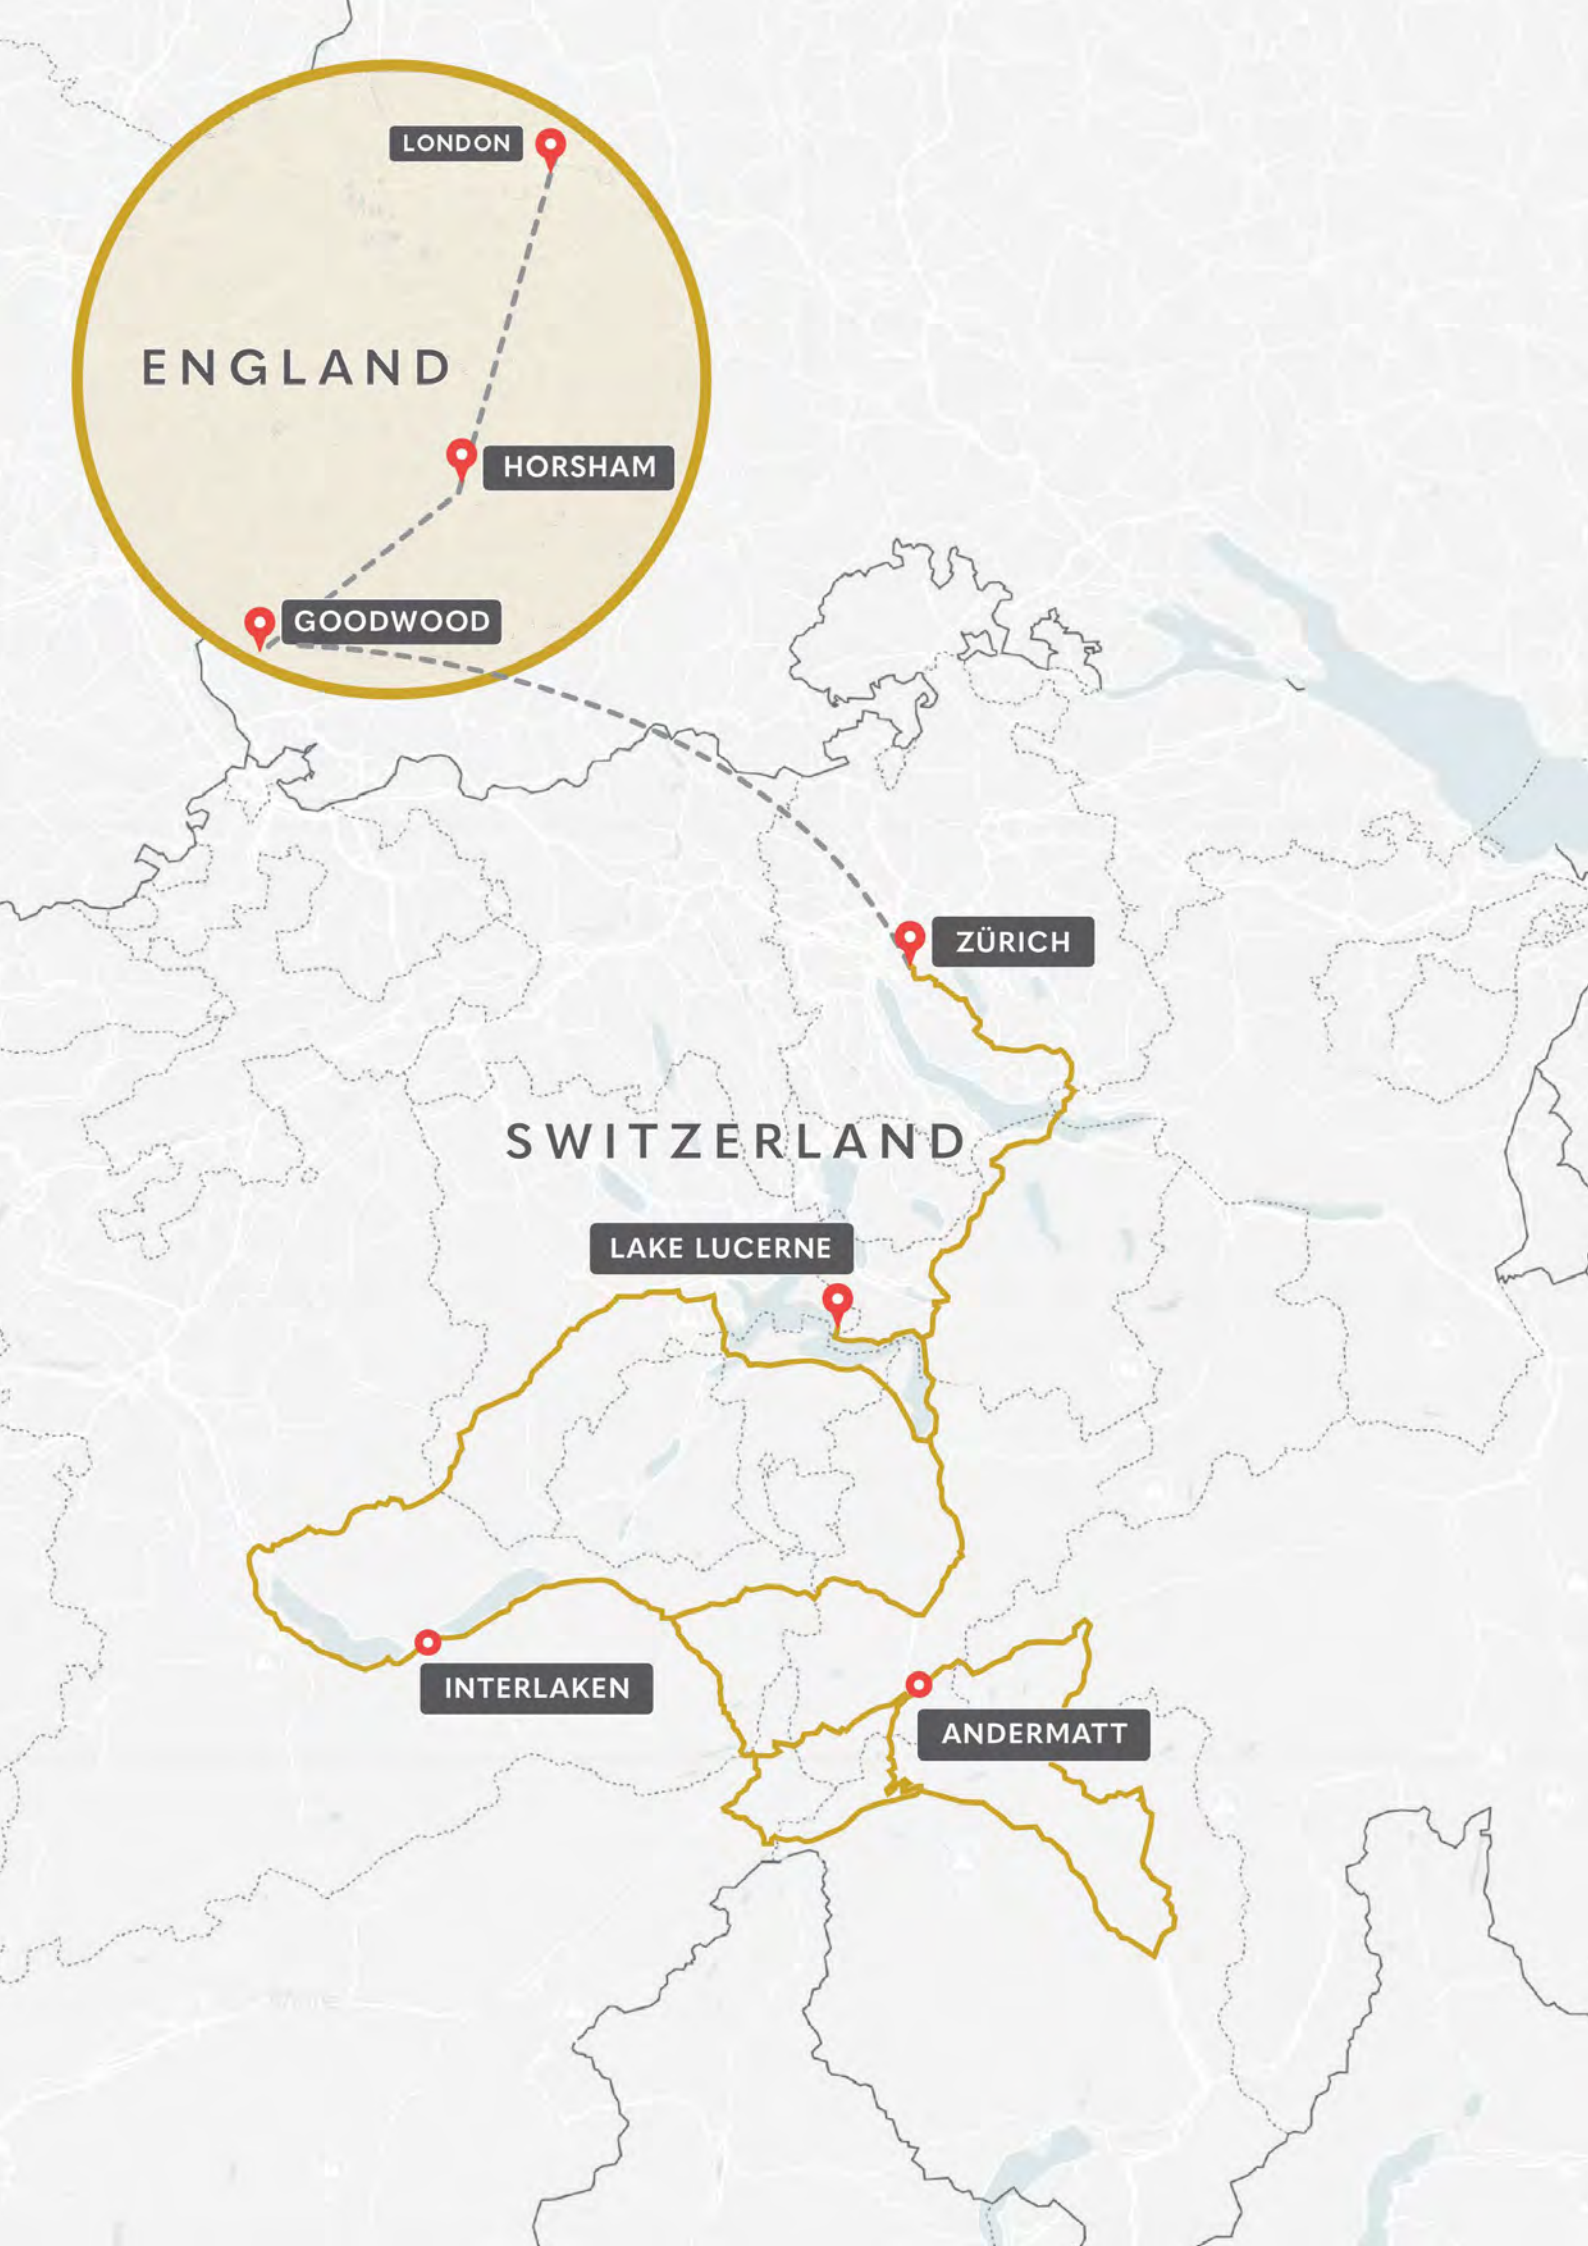

Accommodation and Dining

Your Goodwood weekend includes luxurious accommodation at South Lodge, a five-star historic manor nestled in parkland in the heart of West Sussex. This is the perfect location to rest and relax in the evenings after an exciting day.

The dining each evening includes a mixture of both gastronomic and more laidback experiences. These will include South Lodge's relaxed fine-dining venue, Botanica, on the first evening. This is followed by a Saturday night visit to the Crabtree gastropub neighbouring South Lodge, and a final dinner at the hotel's AA Rosette-awarded restaurant, The Camellia.

FREQUENTLY ASKED QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

Each day, you will cover around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or in the passenger seat for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 13 – 17](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining are designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.
