

Ultimate Drivers Tour

June 2022

EXPERIENCE THE WORLD'S BEST *Luxury Driving Holidays*

Ultimate Driving Tours evolved from my lifelong love of motoring. It started as an idea, then became a small project between like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. And it soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – Nurburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help

of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, whatever may be on it. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all the 'must do' experiences associated with motoring.

But an Ultimate Driving Tour is also

about much more than cars, more than driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. That might include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht, and so much more.

We hope that you too will become one of our family of guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and to having you along.

To a life of adventure,

VIP WEEKEND AT GOODWOOD FESTIVAL OF SPEED

Friday 24 – Monday 27 June

Your week long motoring odyssey begins in the UK, with a weekend at the iconic Goodwood Festival of Speed.

Following your arrival into the London and transfers from the airport to Sussex, you'll have time to settle into your plush English country manor accommodation, complete with an award-winning spa. Enjoy leisure time to relax, hit a round of golf, or head to the croquet lawn for a social game with fellow tour guests.

For those who wish to get the adrenaline flowing early, you can opt to take part in an open track day at Brands Hatch. This iconic circuit has hosted every kind of race since 1950, including F1, touring car, and GT

battles, and is the perfect way to end an incredible week.

Your track partner for the day will be the legendary Caterham Seven 270S; a lightweight track weapon with a 2:1 power to weight ratio, and the ability to embarrass more powerful cars with its acceleration. With a 1.6L engine putting out 135bhp, and weighing in at a featherlight 500kgs, these cars will keep pace with much more expensive European GTs, and they deliver big on fun—a purist's dream. Finish your incredible week with a smile on your face as you tear up the track and enjoy the thrill of driving in classic style.

Saturday is an action-packed day at the Festival of Speed. Today's schedule

includes incredible stunts, a diverse range of drivers and vehicles testing their mettle on the hill climb, and famous faces of motorsport always in attendance. It's also the day of the Library Lawn Garden Party, known for its upbeat and cordial atmosphere, and fantastic central location in the heart of the Duke and Duchess' private garden. The ideal spot from which to explore the Festival's many wonderful displays. Enjoy some of Britain's best hospitality and revel in one of the world's greatest car shows, and tomorrow you'll do it all again—with an upscale twist.

On Sunday, it's time to settle into the most luxurious hospitality at the Festival—Clark Pavilion—as the hill climb action reaches its crescendo.

The Pavilion offers incredible views of Molecomb Corner, one of the most dramatic sections of the hill climb and a highlight of the Sunday Shootout, and is complete with gourmet catering and premium bar with plenty of champagne.

For one or both days of your weekend at the Festival of Speed, you can choose to make an entrance—and skip the traffic—by opting for return helicopter transfers. Guests choosing this option will enjoy direct charter flights between the hotel and Goodwood's grounds.

On Monday you can enjoy a well-earned sleep-in before we depart for flights to Zurich.

A SUPERCAR TOUR OF THE SPECTACULAR SWISS ALPS

Monday 27 June – Friday 1 July

Arrive into Zurich on Monday to begin your Swiss touring adventure. The next three days (from Tuesday through Thursday) will be spent behind the wheel—and in front of the mid-engine, in many cases—of our fleet of latest release supercars. Your carefully-prepared route takes you to conquer the most breathtaking and challenging alpine roads in Switzerland, including the famed trio of the Susten, Grimsel, and Furka passes.

The drive starts with a cruise on a scenic lakeside motorway. Next, the convoy will climb upwards into the alps to conquer your first mountain pass—Susten. This famed road is known for its fast downhill portions, bridge and tunnel combinations, banked turns, and

steep hills, that will bring out your car's best engine notes as you cycle through the gears. After lunch, you will take on another pair of famous mountain passes—Grimsel and Nufenen.

Grimsel Pass is perhaps the most scenic of the passes on today's drive. With jaw-dropping panoramas emerging around each corner, this is a less technical and more free-flowing pass than Susten, allowing you to take in the views. Rounding out the day is the more technical Nufenen Pass, a soaring high alpine road and a suitably rewarding way to conclude an epic day.

Your second day of driving follows a sweeping loop around Andermatt—the centre of the Swiss Alps. Today

you'll experience the Oberalp, San Bernardino, and Gotthard alpine roads. Oberalp has a steep climb and a mixture of straights and hairpin turns. This pass is generally light on traffic and makes for a great drive with plenty of freedom. From here, we'll temper the alpine sections with a zig-zagging run through the valleys below, before heading up into San Bernardino.

The magnificent San Bernardino Pass runs along a lush Swiss valley, and passes through a series of charming alpine villages before the pass. The pass itself consists of wide, sweeping turns on incredibly smooth tarmac, and is a joy to drive especially in the dry summer months. Following on from Bernardino will be your last big

pass of the day—Gotthard. With a history dating back to the 13th century, Gotthard's modern route was built in 1830 and continues to be a favourite among European driving enthusiasts. A route of historic importance for transit in Switzerland, Gotthard brings out the best of a sports car with its many scything twists and turns.

The final day of your incredible drive is action-packed, as the route turns west to visit yet another iconic road—the Furka Pass, before another run on Grimsel. Furka was immortalised in the classic Goldfinger chase scene in which James Bond's Aston Martin DB5 pursues a '65 Ford Mustang up the pass. This incredible road alternates between tight hairpins and long sweepers, with a constant feature being the fantastic smooth tarmac that instills confidence behind the wheel. Your day finishes with a run by the lakes of Thun and Brienz, before meandering through the rolling valleys of the Entlebuch Biosphere to conclude at a stunning hotel with views of Lake Lucerne.

To complete your experience, along the drive you will stay in a series of incredible and ultra-luxury hotels, ski chalets, and palaces throughout Switzerland. Following your arrival into the hotels each afternoon, you can enjoy a well-earned cold drink, followed by time to relax or make the most of the hotel's wellness amenities. From here you'll sample the resident chef's signature dishes paired perfectly with a selection of regional wines.

FREQUENTLY ASKED QUESTIONS

Follows is a selection of common questions.
For any further queries, please contact our team.

Which vehicles will be in the fleet?

Each tour is replete with a curated selection of latest release supercars. Your destination's driving conditions are considered alongside vehicle characteristics in order to provide the best possible experience. The number of cars in the convoy will depend on the number of guests, and is based on two guests per vehicle. Our average tour size is 16 people and 8 supercars. Over the course of the tour you have the opportunity to drive the entire fleet of cars, cycling in a set order through 2-3 cars each day. Professional instructors are always on hand to provide assistance as you change cars, and all cars are insured with a deductible in place.

How does the driving work?

The drive operates in a loose convoy, with a lead and sweep car (driven by professional drivers), and two-way radio contact between all vehicles. The lead car navigates for the convoy and provides updates on conditions, so drivers can focus on enjoying the cars and drive. The sweep car ensures no one becomes lost or separated from the group.

The drive per day is around 250km/155mi over 6-8 hours including regular stops for morning/afternoon tea, lunch, and driver/car changes.

What type of roads do we drive?

Our team has spent over a decade researching and testing the best roads in the world. All tours are planned so as to avoid heavily trafficked cities and seek out the freedom of the open road. The routes chosen for our tours cover a variety of road types that accentuate both the location and the tour type. You can expect to navigate tight switchbacks and hairpins on alpine passes, and then enjoy loose, flowing country backroads, and fast-paced autostradas. We always choose roads that are incredibly scenic, so whether you're behind the wheel or passengering for a section, you will find plenty to enjoy.

What type of guests join your tours?

Guests from around the world attend our tours. We typically host a mixture of groups of friends, families, business associates, and plenty of couples. While we do recommend sharing the experience with someone you know or as a group, we also cater for guests coming on their own. In this case, you will be partnered with another solo driver.

Ultimately, our tour groups are made up of like-minded people who share a passion for motoring, and enjoying the finer things in life. Many go on to keep in contact after the tour and often become life-long friends.

How does pricing work?

Your tour package is priced per person and is based on two people per vehicle. Typically the driving is shared between occupants, who alternate between being behind the wheel and being a passenger. In the case that one participant prefers not to drive, the other will be able to enjoy double the time behind the wheel, while the passenger can soak up the stunning scenery and excitement of riding along. As outlined on [page 13](#), [page 15](#) and [page 17](#), your Tour Investment consists of your Tour Package and any Optional Add-Ons.

Where do guests stay and dine?

Accommodation and dining is designed to complement your overall experience. Our team seeks out the most luxurious and unique hotels in the regions we visit, which can include ornate castles, private villas, boutique resorts, and more. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences.

Depending on the size of the group, guests may stay as a collective, or diverge into smaller groups at nearby luxury hotels, commensurate with your selected package. Accommodation packages and upgrades dictate the hotel and room category.

COVID-19 MANAGEMENT

UDT takes your health and safety seriously. In light of the current pandemic, we have implemented a number of health and safety practices for both guests and staff. These include:

- Thorough cleaning and sanitising of vehicles each evening as well as during driver changes
- The provision of a sanitising pack in each car including gloves, a face mask, hand sanitiser and wipes
- Sanitising stations for use on arrival and departure at all venues and stops
- Adherence to social distancing throughout the event
- Daily temperature checks

We also require venues and suppliers to follow health and safety procedures, and request guests similarly act responsibly in terms of informing us if you feel unwell in the lead up to or during an event, or have had close contact with a confirmed or suspected case.

Lastly, on our events we avoid big cities and crowded places where possible. If feasible, we also book exclusive use of hotels, restaurants and experiences, or request separate, private spaces for our guests.
