EXPERIENCE THE WORLD'S BEST

Luxury Driving Holidays

Ultimate Driving Tours evolved from my lifelong love of motoring. From a small idea, Ultimate Driving Tours became a passion project among like-minded friends. We found a select group of clients who shared our passions for travel, enjoying the finer things in life, and driving incredible cars in great company. It soon became apparent that we had found a winning formula.

But the roots of UDT's story begin much earlier than our first tour. For over twenty years, I have participated in, created, directed and owned motoring events, starting with a celebrated tarmac rally series. After seven years of growing the rally into a beloved Australia-wide motoring event, I turned my focus to the international arena, taking a group to motorsport mecca – the Nürburgring. This initial venture was perhaps a little more rough and ready than the refinement of our current tours, but it was the genesis of a beautiful journey.

Over the years, and with the help of our ever-growing global team, Ultimate Driving Tours has evolved into a renowned and award-winning luxury adventure travel business—the world's premier provider of extraordinary driving, motorsport and track experiences. From Europe to the Americas and Australasia, we now offer the most diverse and far-reaching selection of incredible motoring adventures, with all the elements of an unforgettable luxury travel experience.

Our experiences are designed to let you live out your bucket-list, however adventurous it may be. Whether you would prefer to experience a fleet of supercars on the world's best driving roads, watch the Grand Prix of Monaco from the plush seats of a superyacht, get behind the wheel of a real F1 car at a private track day, or dine with motorsport legends like Sir Jackie Stewart, our events cover all of motoring's must-do experiences.

Yet an Ultimate Driving Tour is about more than simply jumping in luxury cars and driving. Our experiences take you to stay in the finest boutique and experiential accommodation, dine in celebrated restaurants, and savour unique and exclusive lifestyle experiences. This may include a private tour of one of Europe's most prestigious vineyards and champagne maisons, or a chartered private jet, helicopter or yacht. The possibilities are endless.

We hope that you too will become one of our guests, and join us for the journey of a lifetime. After perusing this brochure, please don't hesitate to reach out to our team. We look forward to hearing from you and having you along.

To a life of adventure,

AN EPIC DAY AT THE NÜRBURGRING

After arriving into Frankfurt by 2pm, you will be transferred to Nürburg where you will check into our rustic luxury accommodation for the evening, Lindner Motorsport. In the evening, you will enjoy a welcome aperitif and dinner at the illustrious 'Ring restaurant, Pistenklause, owned by the famous Schmitz family.

Following breakfast on Saturday you will take on the infamous Nürburgring. Originally constructed in 1925, the 'Ring' is one of the most respected and revered circuits in modern motorsport.

The 20.8km track features a myriad of tight switchbacks, exhilarating straights, and long sweeping bends – a true feast for any motoring enthusiast. The track also features a selection of unique

racing corners – including the famous Karussell, a 270-degree tight banked curve that replicates G-forces more commonly felt by fighter pilots than racing drivers.

After staying nearby, you will arrive at the track mid-morning. There will be a driver briefing with professional racing instructors, who will also be on hand throughout the day to help you to develop your skills, and make the most of the track and your vehicle. The vehicles and instructors cater to all driving abilities, from a keen novice to seasoned racers, and over the course of the day, you will cover approximately 200kms (10 laps). Nicknamed 'the Green Hell', this circuit is both challenging and incredibly long, so make sure to pace yourself!

After a day of adrenaline on the track, unwind and share stories with an aperitif on the terrace of the your hotel for the evening, the Lindner Motorsport in Nürburg. This classic hotel marries rustic charm and luxury comfort, making it the perfect place in which to kick off your shoes and enjoy a glass of something cold and refreshing after a long day of driving.

In the evening, we dine as a group at the hotel's highly rated Restaurant Nuvolari, which offers a tempting selection of international dishes, before retiring ahead of an incredible day of supercar driving.

DRIVE DAY FROM THE NÜRBURGRING TO SPA

After a night of restorative sleep and a hearty breakfast, we leave the Lindner Motorsport in Nürburg to embark on a scenic international drive to Spa via the truly fantastic backroads of Germany and Belgium.

Following breakfast the group will be introduced to the fleet of supercars you will pilot for the coming day.

From here you will begin your journey west through the famed Mosel wine region and onto the Eifel mountain range in Germany, which connects though to the Ardennes in Belgium.

Driving a mix of fast-paced autobahns, meandering country backroads and tighter alpine roads, you will be able to

experience the handling and capabilities of a series of vehicles in a number of different environments that differ to the track. This is the perfect way to enjoy the cars, the drive, and the beautiful scenery.

In the late afternoon you will arrive at your residence for the following two nights – Manoir de Lébioles. The ornate 19th century Manoir de Lébioles is a residence hidden amongst parklands just outside of the town of Spa. Known as one of the most beautiful buildings in the region, the manor has housed both diplomats and aristocrats over the last century. In recent years it has undergone extensive renovations to become the stunning 5-star hotel in which you will stay.

Accommodation and Dining

Guests on our Ultimate Track Tour are truly spoiled with a selection of exceptional hotels and dining options.

In Germany, we enjoy two nights at the relaxed luxury of the Lindner Motorsport in Nürburg. Dining is delightful, from the gastronomic Restaurant Nuvolari to the historic Pistenklause, owned by the famous Schmitz family.

As we move into Belgium we spend two nights at the magnificent Manoir de Lébioles. Set in the heart of the beautiful Ardennes forests, this elegant spa hotel features in-house gourmet dining using local produce that highlights the beautiful region.

A TRACK DAY AT SPA FRANCORCHAMPS

On Monday, you will enjoy a premium closed-track experience at one of the most famous circuits in Formula 1 – Circuit de Spa Francorchamps. Home to the Belgian Grand Prix, the Spa 24 Hours, and a number of other endurance races, Spa Francorchamps is held in high regard by many motorsport drivers. Seven-time F1 Champion Lewis Hamilton calls Spa his “favourite place on Earth”.

The original circuit was based on public roads running between the villages of Francorchamps, Malmedy and Stavelot in the Ardennes forest. Motorbike racing began at the track in 1922, and three years later the first Grand Prix was held there. Spa was part of the original F1 world championship calendar in 1950, but even for its

time, the then 14km long circuit was fearsomely fast and dangerous.

After a thorough drivers briefing, guests will have the opportunity to enjoy a guided walk of this fabled circuit. From here you will get behind the wheel of your chosen vehicle. Professional racing instructors will be on hand throughout the day to guide you through the intricacies of both the circuit and the vehicle you will be piloting, as well as providing tips on how to get the most out of your car and the overall experience.

Among many incredible sections of tarmac on this 7km long circuit, we guarantee you will love the opportunity to blast through Eau Rouge – one of the most heralded circuit corners in all

of motorsport. This corner is renowned for its fast uphill nature, which creates twisting G-forces more akin to a roller coaster than a racetrack.

After a bucket-list day at Spa, the group will return to the stately Manoir de Lébioles to spend a second blissful evening taking in the sunset over the forest, while sipping a well-earned cold drink. Later in the evening the group will sit down to a second more relaxed dining experience. Over fresh local produce and fine wine, spend the evening swapping stories from your experiences that day.

On Tuesday, enjoy a leisurely breakfast and start to the morning before transfers to Brussels (arrive by midday) and onward travel plans.

COMMON QUESTIONS

Below you will find a selection of common questions from our guests.
For any further queries, please contact our team.

What type of guests join your tours?

Our tours are a mix of guests from around the world. We have friends, family, business associates, and more attend, including plenty of couples. While we do recommend sharing the experience with a partner, friend or group, we can also cater for drivers coming on their own. Ultimately our groups are made up of like-minded people who share a passion for motoring as well as the finer things in life. Many go on to keep in contact after the tour and become life-long friends.

How does pricing work?

Your tour package is priced per person and based on two options – either two drivers sharing one car (if you come in a couple or pair and wish to share the laps), or you driving a private vehicle.

Your Tour Investment will be comprised of the Tour Package as well as your chosen Accommodation and Dining Package, and any Optional Add-Ons you wish to include.

Where do we stay and eat?

The places you stay each evening and the restaurants in which you dine should complement your overall experience. As such, our team seeks out the most luxurious hotels in the regions we visit. Dining is always a social affair, pairing gourmet cuisine with fine wine, over which the group can share stories and experiences. Guests will always stay and dine together; the only difference with package options is the room category and occupancy type, as well as extras.
